the dimensions of a higher intelligent living being part 1 is about what dimensions are in life because i think any dimension is something for any dimension to be what any is in life and therefore the dimensions of a higher intelligent living being is about how dimensions are in life because i think any dimension is something for any dimension to be how any dimension is in life even though the dimensions of a higher intelligent living being part 1 is about the possibility of a higher intelligent living being because i think everything is created by a higher intelligent living being that i choose to call god different aspects of god gods will gods state of consciousness gods thoughts gods mind and gods being how everything is in relation to god how any dimension is able to be overlapping and co existing with any other dimension the embodiment of god someone something and everything because i think there are different characteristics or features that is apart of making up the embodiment of god someone something and everything god and someone having a choice of right or wrong because i think god and someone can choose something that is right or wrong for god and someone to be having a choice of right or wrong how something doesnt have a choice of right or wrong how something is opposite of itself someones thoughts because i think someones thoughts is someones history of someones life the truth or a lie because i think someone can be right or wrong for someone to be choosing the truth or a lie someones beliefs because i think someones thoughts is someones beliefs and someones feelings because i think someone has feelings for someone to be feeling what someone is feeling

in the new guitarscape kevin dawe argues for a re assessment of guitar studies in the light of more recent musical social cultural and technological developments that have taken place around the instrument the author considers that a detailed study of the guitar in both contemporary and cross cultural perspectives is now absolutely essential and that such a study must also include discussion of a wide range of theoretical issues literature musical cultures and technologies as they come to bear upon the instrument dawe presents a synthesis of previous work on the guitar but also expands the terms by which the guitar might be studied moreover in order to understand the properties and potential of the guitar as an agent of music culture and society the author draws from studies in science and technology design theory material culture cognition sensual culture gender and sexuality power and agency ethnography real and virtual and globalization dawe presents the guitar as an instrument of scientific investigation and part of the technology of globalization created and disseminated through corporate culture and cottage industry held close to the body but taken away from the body in cyberspace and involved in an enormous variety of cultural interactions and political exchanges in many different contexts around the world in an effort to understand the significance and meaning of the guitar in the

lives of those who may be seen to be closest to it as well as providing a critically informed discussion of various approaches to guitar performance technologies and techniques the book includes discussion of the work of a wide range of guitarists including robert fripp kamala shankar newton faulkner lionel loueke sharon isbin steve vai bob brozman kaki king fred frith john 5 jennifer batten guthrie govan dominic frasca i wayan balawan vicki genfan and hasan cihatter

to presume to multiply books in this day of excellent writers and learned book makers is a rash thing perhaps for a novice it may even be a presumption that shall be met by the production itself being driven from the market by the keen searching criticism of not only the reviewers but less noted objectors and yet there are books that meet a ready sale because they seem like ishmaelites against everybody and everybody against them whether this work shall ever accomplish the design of the author may not at all be determined by its sale while i hope to secure some pecuniary gain that i may accompany it with a companion illustrating what our women have done yet by no means do i send it forth with the sordid idea of gain i would rather it would do some good than make a single dollar and i echo the wish of abou ben adhem in that sweet poem of that name written by leigh hunt the angel was writing at the table in his vision the names of those who love the lord abou wanted to know if his was there and the angel said no said abou i pray thee then write me as one that loves his fellow men that is what i ask to be recorded of me the angel wrote and vanished the next night it came again with a great awakening light and showed the names whom love of god had blessed and lo ben adhem s name led all the rest i desire that the book shall be a help to students male and female in the way of information concerning our great names i have noticed in my long experience as a teacher that many of my students were woefully ignorant of the work of our great colored men even ignorant of their names if they knew their names it was some indefinable something they had done just what they could not tell if in a slight degree i shall here furnish the data for that class of rising men and women i shall feel much pleased herein will be found many who had severe trials in making their way through schools of different grades it is a suitable book it is hoped to be put into the hands of intelligent aspiring young people everywhere that they might see the means and manners of men s elevation and by this be led to undertake the task of going through high schools and colleges if the persons herein mentioned could rise to the exalted stations which they have and do now hold what is there to prevent any young man or woman from achieving greatness many yea nearly all these came from the loins of slave fathers and were the babes of women in bondage and themselves felt the leaden hand of slavery on their own bodies but whether slaves or not they suffered with their brethren because of color that sum of human villainies did not crush out the life and manhood of the race i wish the book to show to the world to our oppressors and even our friends that the negro race is still alive and must possess more intellectual vigor than any other section of the human family or else how could they be crushed as slaves in all these years since 1620 and yet to day stand side by side with the best blood in america in white institutions grappling with abstruse problems in euclid and difficult classics and master them was ever such a thing seen in another people whence these lawyers doctors authors editors divines lecturers linguists scientists college presidents and such in one quarter of a century

the first book by david dicaire blues singers biographies of 50 legendary artists of the early 20th century mcfarland 1999 included pioneers innovators superstars and cult heroes of blues music born before 1940 this second work covers those born after 1940 who have continued the tradition this work has five sections each with its own introduction the first modern acoustic blues covers artists that are major players on the acoustic blues scene of recent time such as john hammond jr the second contemporary chicago blues features artists of amplified citified gritty blues paul butterfield and melvin taylor among others section three modern american electric blues includes some texas blues singers such as stevie ray vaughan and jimmie vaughan and examines how the blues have spread throughout the united states contemporary blues women are in section four section five blues around the world covers artists from four different continents and twelve different countries each entry provides biographical and critical information on the artist and a complete discography a bibliography and supplemental discographies are also provided
